Dear Senator Lummis:

The Women's Mining Coalition (WMC) greatly appreciates your support of a strong, vital domestic mining industry as a signatory to the bipartisan Congressional comments dated August 30, 2022, submitted in response to the Interagency Working Group's (IWG's) Request for Information on Mining Regulations, Laws, and Permitting.

WMC is pleased to share our comments in response to the IWG's request which can be found at this link:

Thank you again for your leadership in supporting domestic mining and recognizing the importance of strengthening our supply chains by reducing our reliance on foreign minerals. We hope to have the opportunity to work with you in the future on these important issues.

Sincerely yours,
